ON 2nd OCTOBER 2021 @ 10:30 AM

VIA Googlemeet- <https://meet.google.com/smn-ofi-dqe>

Dear Colleagues/ students,
Department of Botany, NSS College, Manjeri is dedicated to the overall development of the students and we conduct various academic programmes to familiarise students with the recent trends in Biological Science. In the academic year 2021-22, our department is conducting an International Webinar Series 'ESPERANZA 2021'. International and national level lectures on the applied aspects of plant research are included in the series. This programme aims to inculcate research aptitude and scientific temper in students.
