Kerala Development and Innovation Strategic Council (K-DISC) organised an orientation on 14.06.2023 regarding Young Innovators Program (YIP) 5.0. The following photograph is a moment from the session:

On 22.02.2024, as part of Connect Career to Campus project, Kerala Knowledge Economy Mission provided an orientation for the Final Year students at the Seminar Hall to introduce them to Digital Workforce Management System (DWMS). Our students were introduced to career support programmes and skill development programmes at the session.

On 13.03.2024, Kerala Development and Innovation Strategic Council (K-DISC) revisited the College to provide Second Year UG students with an orientation regarding Young Innovators Program (YIP) 6.0. Sibna Sherin T., YIP Co-ordinator, was the Resource Person. The picture below is taken during the session:

In connection with the Connect Career to Campus project of Kerala Knowledge Economy Mission, one student from each of the 8 Final Year classes was selected as the Career Ambassador.

Moreover, during 2023-24, a couple of private institutes familiarised our students with their projects and courses, either professional or academic. People's Foundation introduced People's Fellowship Program 2023 for UG Final Year students, online. The fellowship was intended to aid those who pursue postgraduate courses at esteemed higher education institutions of the nation. The institute named Head Held High, as part of their Passport to Earning (P2E) project, familiarised the students with various online computer courses. Avodha Edutech conveyed information regarding multifarious new generation courses offered by the institute.
